

REMARKS

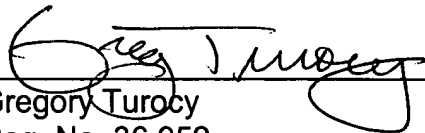

Claims 11-15 and 22-37 are pending in the application upon entry of the amendments and new claims. Claim 15 has been amended to correct a typographical error. Claims 1-10 and 16-21 have been cancelled in view of a Restriction Requirement. Claims 22-37 have been added to further describe the invention. New claims 22-37 fall within elected Group II of the previously imposed Restriction Requirement. It is noted that new independent claims are narrower than allowable independent claim 11 (new claim 25 contains subject matter of original claims 11 and 10 while new claim 32 contains subject matter of original claims 11 and 7). The new claims are fully supported by the specification and original claims. Therefore, no new search is required and entry of the amendments and the new claims is respectfully requested.

Should the Examiner believe that a telephone interview would be helpful to expedite favorable prosecution, the Examiner is invited to contact Applicants' undersigned attorney at the telephone number listed below.

In the event any fees are due in connection with the filing of this document, the Commissioner is authorized to charge those fees to our Deposit Account No. 50-1063.

Respectfully submitted,
